

Make it as easy as possible to gather information – have people complete registration forms at their tables, and people can mingle/eat before and after the program.

- Welcome & Thank You
- Mission Moment – Parent/Family member/patient/Committee member (someone impacted by childhood cancer)
 - Where your \$ is going
 - How you are impacting childhood cancer
- *Doctor/Researcher speak about importance of CureSearch – if available*
- Video/Slide Show/Walk Information
 - Walk focused to break up things
- Introduce the Committee & 2016 Goals
 - Roles people serve
 - Goals for the year
- Sponsor Thank You
- Top Fundraising Team/Registered Team Thank You
- Top Fundraising Team from previous year speak
 - Ask people to mention the information available that day
 - Potential open forum – depending on turnout
 - Provide talking points
 - What led to their success
- *Doctor/Researcher speak about importance of CureSearch – if available*
- Leave with an action item
