

Cornhole for Cures

FUNdraising Ideas

While you plan your Cornhole Tournament and prepare to have a great time, be sure to include great ways to raise funds for children's cancer research.

CureSearch for Children's Cancer works to end childhood cancer by driving targeted and innovative research with measurable results in an accelerated time frame. Every dollar you raise at your Cornhole for Cures event will help make treatments and cures possible for the 43 children diagnosed with cancer every day.

You can incorporate fundraising into your Tournament by offering cornhole-based incentives for fundraising levels. Some possible examples include:

- **\$50 Fundraising Incentive:** 1 "Mulligan" throw ("do over" throw) during an early round tournament game.
- **\$100 Fundraising Incentive:** 1 throw 5 feet closer than regulation distance.
- **\$250 Fundraising Incentive:** 1 throw 10 feet closer than regulation distance.
- **\$500 Fundraising Incentive:** 1 "Mulligan" throw ("do over" throw) during the semi-final or championship game.

You can provide "coupons" for each fundraising incentive. People will redeem these as they are used during the tournament games.

You can also require a registration fee to participate in the Tournament, which can count towards participants' fundraising efforts and help them make progress towards their first incentive.

Contact the CureSearch Gold Team at gold@curesearch.org or (800) 458-6223 to discuss more great FUNdraising ideas to help end children's cancer.
